“The Greatest Show on Dirt”

January 2017

It's hard to believe that Spring is around corner, and with its coming, the first hint of the 2017 baseball season! Elmwood Park Baseball and Softball is pleased to be launching its sponsorship efforts for the season!

Elmwood Park Baseball and Softball is a community based organization that brings the diamond sports of baseball and softball to families in our town. A chartered member of Little League International, the Elmwood Park Baseball and Softball league operates as a 501c(3) non-profit, operated solely by volunteers from our community. The league offers opportunities for children to learn our great pastime and provides enhanced playing opportunities for more advanced players. We are excited this year to add the girls “Extreme” travel softball program, and a fall baseball league. With your support, we can continue to build our program for the over 270 participants between the ages of 4-18 who participated in our league last year.

While a nominal fee for participation is charged to families of players, the league relies on donations to operate the program and keep up with facility needs including field maintenance, uniforms, equipment, and umpire fees. These funds are raised from local community donations through local sponsorships. Sponsors receive recognition for their donation, dependent the level of commitment, and receive a record of their donation for tax purposes.

Enclosed please find information about supporting Elmwood Park Baseball and Softball. Sponsorship opportunities include team sponsorship, facebook and website presence on www.elmwoodparkbaseball.net, recognition at our League Appreciation Day, and sponsor appreciation banners at various field locations displayed throughout the season. Individual donations are also appreciated.

We look forward to your support of Elmwood Park Baseball and Softball!

Very truly yours,

JIM CRAIG
League President
